**What my clients say:**

- “Denis is a very competent and confident accountant. I have been fortunate to be able to rely on his services to help my business thrive and develop over the past number of years. His practice always delivers more than was promised and has a very strong customer service ethos.”
- “Denis has provided an excellent service, and good and timely advice, in the handling of both private and company financial affairs.”
- “Denis has been working with me now for a number of years, initially with my clients and now as my accountant. Denis provides a high quality, client focused and personable service and is very knowledgeable on all areas of accountancy and tax planning. I highly recommend Denis.”
- “I engaged Denis to advise me on Tax planning on my return to Ireland from living and working in Australia. Although my circumstances were complicated and unique, Denis was able to tailor his advice for my maximum benefit. This took considerable diligence from Denis, but the results exceeded my expectations without a substantial cost.”
- “I have worked alongside Denis and his firm on many occasions. He is professional to work with, very approachable and provides timely, efficient solutions to business, accounting and taxation issues. I will continue to work with Denis well into the future.”
